

Introduction to New CCNP Enterprise:

- o The CCNP exam format change that originally required 3-5 written tests to pass.
- o Next Generation of CCNP certification can only be obtained through 2 exams.
- o That must take a core exam and plus an optional exam (Concentration Exam).
- o Next Generation CCNP can be directly tested without having CCNA certification.
- o Every CCNP has one required "Core" exam (CCNP Enterprise Core, CCNP Security Core etc).
- o Every CCNP has several Concentration exams available.
- o You pick any one exam to pass to complete your certification.
- o To get CCNP Enterprise, pass CCNP Enterprise Core, plus any one.
- o CCNP Enterprise Concentration exam (CCNP Enterprise Advanced Routing) & get CCNP.

About ENCOR Exam:

- ENCOR exam consists of topics from six domains of knowledge, i.e. Architecture, Virtualization, Automation, Infrastructure, Network Assurance and Security.
- ENCOR serves triple purpose as CCNP Core, and CCIE Infrastructure Lab and CCIE Wireless Lab qualification exam.
