Overview

Count and offset

X-MSEdge-ClientID

Search results

- Images, entities, and related searches

Filters

- freshness
- safeSearch
- market

Understand the Count Filter

```
{  
  "_type": "SearchResponse",  
  "queryContext": {...},  
  "webPages": {...},  
  "images": {...},  
  "relatedSearches": {...},  
  "videos": {...},  
  "news": {...},  
  "spellSuggestion": {...},  
  "computation": {...},  
  "timeZone": {...},  
  "rankingResponse": {...}  
}, ...
```

◀ SearchResponse

◀ Webpages

◀ rankingResponse

Count Filter

Default

10

Maximum

50

Page Filter

Use with offset

Demo

Filters

- Count
- Offset/page number

Search Page

- Images
- Entities
- Videos
- Related searches

Bing Web Search API - Filters

Filters

safeSearch

Off, Moderate(default),
Strict

mkt

User country,
en-US

freshness

Day, week, month

responseFilter

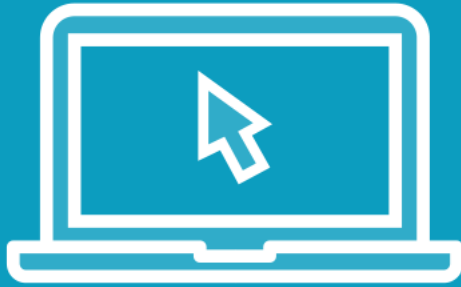

Images, videos,
-entities

answerCount

Return number of
types

Demo

Filters

- market
- safeSearch
- freshness

Summary

Search results
