

OSINT Fundamentals Challenge

☐ Task 1

- *What date did TCM Security incorporate?*
- *What is the earliest known registration date of the TCM Security website?*
- *What is the earliest known archive of the TCM Security website?*

☐ Task 2

- *This art is inspired by a 90s cartoon. Aside from telling us what show this is inspired by, also identify the now famous movie actor who showed off their action figures at a toy fair in 1995.*
- *From an Entertainment Tonight vault video, we again find our toy fair actor being interviewed with another up and coming actor around the 2:00 mark. These two would end up playing together in a movie just 5 years later. What is it and what is the award this would this movie win?*

☐ Task 3

- *On Jan 15, 2024 Snoop Dogg posted a video on social media where he's wearing a yellow hoodie from what US sports team?*
- *As of 2024, this team has "officially retired" three uniform numbers. What are they?*
- *We can make a postal code when we string those uniform numbers from from greatest to least (6 digits total). Where is the location of that postal code?*
