Python Further Reading

As always, the best way to learn Python is to start building something (and maybe buy a Raspberry Pi!), but these sites will get you started:

https://www.python.org/about/gettingstarted/

https://wiki.python.org/moin/BeginnersGuide

code.tutsplus.com/articles/python-from-scratch-getting-started--net-19909

Beginners Guides

https://docs.djangoproject.com/en/1.9/intro/

http://www.pylonsproject.org/projects/pyramid/about

http://bottlepy.org/docs/dev/index.html

http://flask.pocoo.org/
